

WE CARE

Faith, hope and charity built a loving community in Greensboro. Today, WhiteStone is home to 200 fraternally related residents, with 50 receiving charitable support from Masons and Stars. Our seniors live there in comfort and dignity all while receiving a full array of high quality healthcare services. Now is the time to improve and enhance that care to meet the needs of our residents.

Like the Masons and Stars who preceded us, we are asking **Every Lodge, Every Chapter, Every Mason and Every Star** to make a personal gift to improve health care at WhiteStone for our brothers and sisters. It takes the support of each of us to ensure our seniors continue to live vibrant lives with the support they need at every stage of life. Consider making a gift in honor, or in memory, of someone who has been important in your life.

WE BUILD, WE DREAM, WE CARE.

WE BUILD AND WE DREAM

Masons build. It's what we've done for centuries. With an expanded campus and the addition of a full continuum of care, we can meet the needs of our current and future residents.

WhiteStone is the first and oldest Continuing Care Retirement Community in North Carolina. As a non-profit organization, WhiteStone annually reinvests back into our community and also provides financial assistance to fraternal residents to help defray healthcare costs and other expenses.

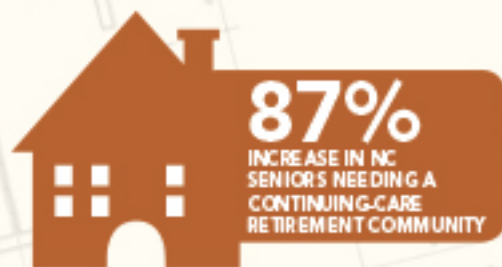

Our dream is to expand healthcare at WhiteStone with the addition of a new assisted living building with memory care suites. We also want to enhance our existing Care and Wellness Center, built with the support of brothers and sisters nearly 20 years ago, with a complete renovation. This is more than a dream, it's a necessity to better meet the expectations of those we serve.

OUR TURN

It's our generation's turn now! Our legacy will be a WhiteStone expansion that includes every level of care needed by current and future residents. With your support, WhiteStone will continue to be a beacon of light for our seniors and those who love them.

SHOW YOU CARE

We invite you to take an active role in expanding healthcare and senior life at WhiteStone by reaching into your heart to make a lasting expression of support for our elder community. A gift of cash, stock, life insurance, retirement funds, a planned or estate gift can serve as your legacy to future generations.

Your gift will honor the generations of North Carolina Masons and Stars that preceded you and will ensure the future for generations of seniors to come. Your generosity will be a lasting testament of your commitment to our honored seniors and will help to ensure they continue to achieve the highest quality of life at every stage of their lives. Gifts will be recognized at various levels and naming opportunities are available.
