

## The Fraternal Friendship program

Since 2016 our MESH LLC Fraternal Friendship program has helped qualifying brothers and sisters live at WhiteStone or receive services in their own homes.

This program, made possible by gifts from brothers and sisters, lodges, chapters and the Masonic and Eastern Star foundations, provides charitable assistance to all Masons and Stars in good standing wherever they are – at WhiteStone or at home.

The Fraternal Friendship program helps qualified and fraternally affiliated seniors cover WhiteStone’s entrance fees, room and board, food costs, prescriptions and healthcare expenses.

For brothers and sisters who need help but want to remain at home, the program offers outreach assistance. Qualified members, their spouses and close family members who are at least 60 years old can apply. (In exceptional cases, special accommodations may be made for younger applicants.)

### We offer:

- Emergency (short- or long-term) assistance with basic needs such as utility bills, groceries, mortgage, rent or healthcare expenses
- Help with accessing benefits through Medicare, the VA and Medicaid
- Funding for home improvements, such as ramps, to aid mobility
- Long-term care referrals
- Case management and healthcare navigation services

## Lending our hands

As Masons and Eastern Stars, we live by faith, find motivation in hope, and share our hearts through charity. Lending our hands to brothers and sisters in need is what we do.

We pay our blessings forward.

WhiteStone: A Masonic and Eastern Star Community in Greensboro, was founded by generous and progressive brothers and sisters in 1912 as a haven for our senior members. We invite you to visit.

Every generation that followed has added improvements, and today our seniors can enjoy safe, healthy lives in our Greensboro community or right in their own homes.
