

Just as we are one in the brotherhood of Masonry, we are united in our goal of keeping our charities strong, growing, and financially sound for generations to come.

Join us.

Make the NCMF a partner in your own giving tradition.

Together let's build a foundation for the future.

Because of the support of the Masons, I have a home and everything I need to be successful in life. The Masons have remembered me on my birthday, given me gifts at Christmas, and even played softball with me. Because of their example, I hope to help others in the same way someday.

"Living at WhiteStone makes me feel like I'm at home with the family. I grew up among masons and my stepfather was a fine example and I've tried my best to follow that example. WhiteStone is the only home I could go to. I have always wanted to be here in my later years."

For North Carolina Freemasons, giving is tradition.

Giving is second nature.

Giving is what brothers do.

The North Carolina Masonic Foundation has been part of that good work for nearly 90 years, building a true, independent financial 501(c)3 foundation for the Masonic Home for Children at Oxford and WhiteStone, our Masonic and Eastern Star Home in Greensboro.
